INTEGRATED SYSTEMS FOR FIXED LINE, REMOTE OFFICES, INTERNET AND CORDLESS TELEPHONY

More features. Less cost.

The new range of handsets and PBX solutions from Aristel and Yeastar brings business the ultimate in fully integrated communications. MyPBX combines all current technologies in ACMA compliant systems that deliver cost effectiveness with maximum flexibility.

MyPBX systems cater from 2 to 100 users and are ideal for growing businesses. A major benefit of MyPBX is that there are no additional licence fees to expand the system.

Now sold in over 50 countries.
